ORDER

This matter is before the court on the Unopposed Motion to Continue Trial [73]. The parties informed the court they are working to resolve the matter short of trial. Additional time is necessary in order to make further attempts to find a mutually acceptable resolution. The undersigned magistrate judge met with the attorneys on November 30, 2023 regarding the need for a continuance. Based on what is contained in the motion, and the information that was provided by the attorneys during the meeting with the undersigned, I find good cause has been shown,

**IT IS ORDERED** that the Unopposed Motion to Continue Trial [73] is granted, as follows:

1. The jury trial now set for December 4, 2023 is continued to **February 5, 2024**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and February 5, 2024**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances will be granted.**

**DATED: November 30, 2023.**
